Refueling Charge

If the renter does not choose the optional Fuel Tank Service, they must return the fuel tank in the same condition as received. If this is not the case, we will take care of refilling the tank of your vehicle on return. The refueling charge includes the actual amount of fuel purchased at market price and handling fees. These handling fees are 32,06 EUR.

If, however, the renter has paid for the Fuel Tank Service at the time of renting the vehicle, the payment for the task of refuelling is discounted and the service cost consists solely of the price of the tank of fuel for that particular vehicle at the current market price. This means that the renter may return the car with an empty tank. There will be no refunds on unused fuel and the price of the tank of fuel will vary depending on the tank capacity of each vehicle.

If, alternatively, the customer has signed up for the fuel tank service known as "Flexi-Fuel" at the time of renting the vehicle, they will pay only the litres consumed (at the current market price) plus the rebated cost of the refuelling service EUR 21,99 at the drop-off time, as this service is designed for rentals with a maximum length of three days. This means that the customer no longer has to worry about filling up the vehicle at the time of drop-off.

Wrong refueling means an additional charge whose final amount will depend on the damage caused to the vehicle.

If the rented vehicle contains an AdBlue tank, the renter must ensure that such tank is always sufficiently full, being responsible of the charges that might apply as the result of the damage caused to the vehicle.

Administrative Charge for Processing of Fines

The standard charge per each penalty report or case file issued by the competent authority during the rental period is of 39,00 EUR.

Administrative Charge for Processing of Damages / Charge for remote claims adjustment

Notwithstanding exceptions mentioned in clause E.1.12 of Sixt General Terms and Conditions, the administrative charge for the processing of damages is of 44,77 EUR (tax incl.) or 39,59 EUR (tax Canary island incl.) per each damage.

In case of damages declared as total loss, the administrative charge for the processing of damages is of 100,43 EUR (tax incl.) or 88,81 EUR (tax Canary Island incl.).

The charge for remote claims adjustment of the damages incurred amounts to EUR 16,94.

Penalty for not returning long term rental vehicles

For rentals for periods from 28 days on, the amount of the penalty for failure to return the vehicle on the date indicated in the rental contract or for exceeding by more 100 kilometres the maximum kilometre indicated in the rental contract, is of 605,00 EUR per each infringement.

Charge for replacement vehicle during rental period in case of renter's negligence

Should the renter need a replacement vehicle during the rental period signed in the rental agreement, for whichever remaining length of rental, the renter must pay 309,00 EUR if the need of this replacement vehicle is due to renter's negligence and especially in cases of wrong refuelling and vehicle's key being lost (if the lessee has not contracted the BC). Additionally, there might be extra charges associated to breakdown van service that will be claimed by our Damage Department and invoiced at the price of 1,20 EUR per kilometer from the place where the car is stopped until the closest Sixt station or closest Sixt partner garage.

Charge for road assistance

If roadside assistance was caused by mechanical failure not attributed to a negligent act by the lessee, regardless of the contracting or not of cover according to Clause G of the General Rental Conditions, the lessee will not assume any charges for the roadside assistance service.

The lessee is liable to pay for roadside assistance in case the towing is due to glass and/or tire damages, and the customer opted not to contract the TG (Tire & Glass protection).

Equally, the lessee is liable to pay this cost when the BF (Super Top Cover LDW) or the coverage for reduction of the excess limitation was not contracted, in the events of breakdowns not related to glass and/or tire.

The cost for this tow service is 1,20 EUR per kilometer, up to 500 EUR, if respectively the lessee has not contracted the TG or the BF, or has made a forbidden or negligent use of the vehicle.

If the breakdown is repaired on site, without the need of a tow service, the assistance fee will be 40,00 EUR.

Charge for loss or damage of the charging cable, as well as the fast charging cable for electric vehicles and hybrid vehicles

In the event of loss or damage of the charging cable and/or the fast charging cable for electric vehicles and hybrid vehicles, the customer must pay the rental company a penalty of EUR 257 (not subject to VAT/IGIC). The payment of this penalty by the customer will not stop the rental company from claiming for any additional damage which the loss or initial damage of the charging cable may have caused.

Charge "Flexi-Location"

If the vehicle is delivered to a station other than the one stipulated in the one-way rental agreement, the customer must pay a charge known as Flexi-Location for the sum of EUR 19.99.

Charge "Diesel Option"

Subject to availability, a vehicle with a Diesel engine can be provided for an additional charge of EUR 5,49 per day, EUR 38,43 per week and up to a maximum of 59,99 EUR per month. If a Diesel vehicle cannot be provided for availability reasons, the charge will be refunded in full. This service is only available for selected vehicle groups.

Charge "Flexi Late Return"

Should the lessee fail to return the vehicle or the keys of the vehicle – even without the lessee being at fault – to the rental company at the end of the agreed rental period, then the rental company shall be entitled to demand compensation for the duration of the withholding at least equal to the amount of the previously-agreed rent. The lessee shall also be required to pay a fixed compensation

fee of EUR 12.10 for the associated processing costs, unless the lessee is able to prove that the rental company has incurred less work and/or damage. The assertion of further damage claims is not excluded.

Charge "Cross Border Fee"

A roaming tariff applies for journeys with the vehicle outside of Spain. Part B.7 of the Sixt General Terms and Conditions of Rental specify the zones in which it is permitted to take the vehicle, and the territorial restrictions. This tariff is additional to the "one way" tariff in the case of rental for one-way journeys only.
