Refueling Charge

If the renter does not choose the optional Fuel Tank Service, they must return the fuel tank in the same condition as received. If this is not the case, we will take care of refilling the tank of your vehicle on return. The refueling charge includes the actual amount of fuel purchased at market price and handling fees. These handling fees are 30,25 EUR (tax incl.) or 28,38 EUR (tax Canary Island incl.).

If, however, the renter has paid for the Fuel Tank Service at the time of renting the vehicle, the payment for the task of refuelling is discounted and the service cost consists solely of the price of the tank of fuel for that particular vehicle at the current market price. This means that the renter may return the car with an empty tank. There will be no refunds on unused fuel and the price of the tank of fuel will vary depending on the tank capacity of each vehicle.

Wrong refueling means an additional charge whose final amount will depend on the damage caused to the vehicle.

If the rented vehicle contains an AdBlue tank, the renter must ensure that such tank is always sufficiently full, being responsible of the charges that might apply as the result of the damage caused to the vehicle.

Administrative Charge for Processing of Fines

The standard charge per each penalty report or case file issued by the competent authority during the rental period is of 39,00 EUR.

Customers that have subscribed to the Easyfines service in their rental contract shall be exempt from the administrative fee for handling fine proceedings.

Easyfines service: a fee of 5,99 EUR per day to a maximum of 60 EUR (tax incl.) or 5,62 EUR per day to a maximum of 56,28 EUR (tax Canary island incl.).

Administrative Charge for Processing of Damages

Notwithstanding exceptions mentioned in clause E.1.12 of Sixt General Terms and Conditions, the administrative charge for the processing of damages is of 44,77 EUR (tax incl.) or 39,59 EUR (tax Canary island incl.) per each damage.

In case of damages declared as total loss, the administrative charge for the processing of damages is of 100,43 EUR (tax incl.) or 88,81 EUR (tax Canary Island incl.).

Penalty for not returning long term rental vehicles

For rentals for periods from 28 days on, the amount of the penalty for failure to return the vehicle on the date indicated in the rental contract or for exceeding by more 100 kilometres the maximum kilometre indicated in the rental contract, is of 605,00 EUR per each infringement.

Charge for replacement vehicle during rental period in case of renter's negligence

Should the renter need a replacement vehicle during the rental period signed in the rental agreement, for whichever remaining length of rental, the renter must pay 302,50 EUR if the need of this replacement vehicle is due to renter's negligence and especially in cases of wrong refuelling and vehicle's key being lost (if the lessee has not contracted the BC). Additionally, there might be extra charges associated to breakdown van service that will be claimed by our Damage Department and invoiced at the price of 1,20 EUR per kilometer from the place where the car is stopped until the closet Sixt station or closest Sixt partner garage.

Charge for road assistance

If roadside assistance was caused by mechanical failure not attributed to a negligent act by the lessee, regardless of the contracting or not of cover according to Clause G of the General Rental Conditions, the lessee will not assume any charges for the roadside assistance service.

The lessee is liable to pay for roadside assistance in case the towing is due to glass and/or tire damages, and the customer opted not to contract the TG (Tire & Glass protection).

Equally, the lessee is liable to pay this cost when the BF (Super Top Cover LDW) or the coverage for reduction of the excess limitation was not contracted, in the events of breakdowns not related to glass and/or tire.

The cost for this tow service is 1,20 EUR per kilometer, up to 500 EUR, if respectively the lessee has not contracted the TG or the BF, or has made a forbidden or negligent use of the vehicle.

If the breakdown is repaired on site, without the need of a tow service, the assistance fee will be 40,00 EUR.
